

**Joint Meeting
Central Oklahoma Chapters
of the American Meteorological Society
and National Weather Association**

When: Tuesday April 29th, 6:30 pm - 8:00 pm

Where: Sarkey's Energy Center, Room TBA, OU campus, (Corner of Boyd and Jenkins)

Featured Presentation:

“The Future of the Oklahoma Weather Center”

Dr. John T. Snow
Director of the Oklahoma Weather Center
and
Dean of the College of Geosciences, OU

John Snow earned both his bachelor's and master's degrees in Electrical Engineering from Rose Polytechnic Institute, before completing his PhD at Purdue. Appointed to OU in 1994, Dr. Snow serves as Director of the Oklahoma Weather Center. Dr. Snow has contributed many items to the research community, and some of his recent work focuses on building partnerships between the academic and private sector meteorologists. In addition, Dr. Snow has conducted extensive research on tornadoes, including work on the Tornado Debris Project, and Tornado Climatology project.

Dr. Snow will talk about the future of the Oklahoma Weather Center.

Agenda:

7:00 pm- 7:15 pm	Refreshments provided by COCAMS
7:15 pm- 7:30 pm	Short Business Meeting
7:30 pm- 8:30 pm	Presentation by Dr. Snow
